Wine Club Options

SYRAH CLUB

A Syrah Specialist for over ten years vintner Bob Harris' Syrah's offer old world character paired with new world fruit. We are proud to provide a wine club built on many years of fruit sourcing from some of the finest Syrah vineyards in Washington: McKinley Springs, Boushey, Dineen and perhaps more soon to come, each offering unique flavor profiles from the microclimates that produced them.

Release Allotment : 4 bottles / \$100

CAB CLUB

If Cabernet is your grape of choice we annually release a variety of small lot productions. Cabernet Sauvignon's from Washington show both strength and character to rival their brothers from France and California, and we are proud to provide an opportunity to look at different vineyard designated wines to showcase Washington Cabernet's success and diversity. Enjoy bottlings from the Old Vine Block and Dump Block from Upland Vineyard as well as fruit from Phinny Hill. We're still looking for the next opportunity.

Release Allotment : 4 bottles / \$125

RHONE CLUB

Our initial focus on Syrah and Mourvedre has expanded to include most of the Southern Rhone Valley varietals. In barrel, we now have Counoise, Cinsault, and Grenache from the likes of some very nice sources and will be planting all 5 of these exciting varietals at Boushey and Phinny Hill vineyards in the Spring of 2012. Get in on the ground floor as we begin our journey creating and defining Washington versions of Bandol and other Southern Rhone blends.

Release Allotment: 2 bottles / \$60 OR 6 bottles / \$150
